June 2026

John Roughton traveled to **England** and **Hungary** in the month of May, all arranged by our good friend, Pastor Joel Taller. John preached in a church with a predominately Roma (gypsy) congregation in a small village near the Ukrainian border. The folks there were very receptive (*bottom*). He taught on healing and laid hands on the sick.

In Budapest, John preached in a strong independent church on the subject of faith (*top right*). Afterwards, many people spontaneous came forward for prayer. Back in England, John spoke at Pastor Joel's church, reminding them of the need to win the lost (*top left*).

In the north of England, John ministered for three days at Christ Harvest Church (*bottom*). The people there were so kind and hospitable. One of the highlights of this trip was meeting Sister Lilian de Fin, who is the great granddaughter of **Smith Wigglesworth**. She and her husband, Brother Abe, restarted the chapel in Bradford that Wigglesworth pastored (*top left*). Her grandson and his wife will be overseeing it. John also spoke to pastors in Manchester (*top right*).
